

# Technical Updates

## Email scam alert

 Updated 12 Apr 2021

---

We have today been alerted that a number of people within the Methodist Connexion have received bogus emails purporting to be from 'The Methodist Church in Britain' with TMCP's name in the email footer, asking recipients to click a link regarding database updates. We can assure you that these messages have not originated from TMCP's IT systems and we share your concerns that the Methodist Church is being targeted in this way. These emails are **not** genuine and you should not click the links contained in them.

Many thanks to those who spotted this and informed us. If you are in doubt about any emails received purporting to be from TMCP or the Connexional Team, please contact us via our respective websites to check if it is genuine.
